### **Refreshers**

#### **All Testing Should Be Complete**

At this time, all districts that requested extensions for completion of assessments should have completed testing. OCTE would like to thank all of you and your staff members for the hard work that went into making this year a success.

#### **Student UIC Corrections– VERY IMPORTANT**

The UIC correction window for the 2014-2015 school year is set for late August 2015 with the exact date still TBA at this time. OCTE asks that a staff member with access and the ability to make adjustments be available to make changes, as needed, to student UIC data during that time period. Please be aware and plan accordingly.
